

Information Resource Project

Pekka Halme

Espoo, November 30, 2006

Contents

- Background
- Current Situation
- Questionnaire
- Work Plan Ahead
- Conclusion

Background

- EuroGeographics initiative
- Purpose
 - top management
 - simple and relevant information
 - wide coverage
- Our understanding
 - meet vision targets

Current Situation

- **Elaboration of questions by themes**
- **Test answers**
- **Semi-finished compilation**
- **Experience of availability of information**

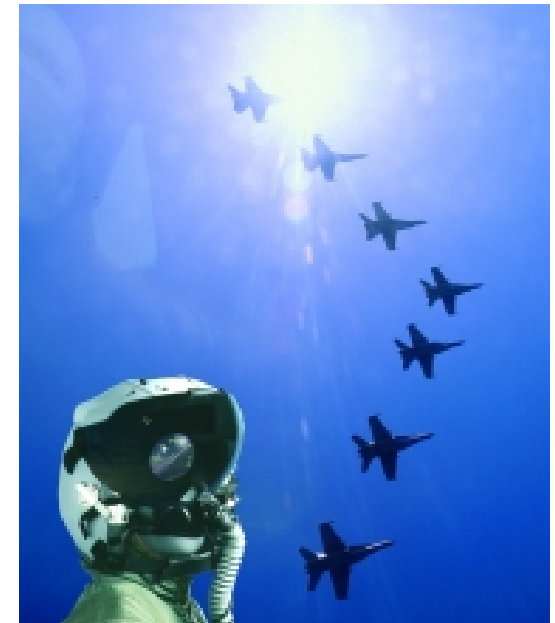

Questionnaire

- Topics from the vision statement
- Questions to reflect the topics
- Data to describe progress
- Summary to give overview

Work Plan Ahead

- Discuss the feed-back
- Adapt to match the vision
- Present the finalized version
- Build the system
- Get the information from members

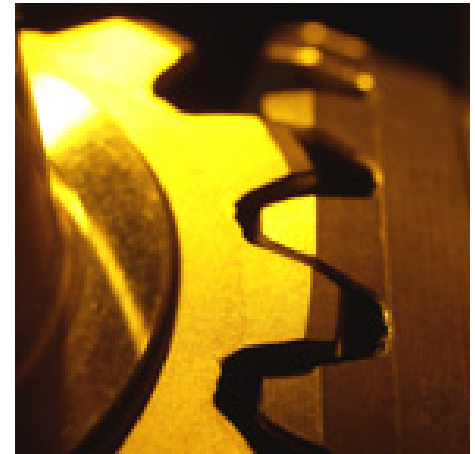

Conclusion

➤ Questionnaire

- meet the Vision statement
- not overlap with other (EG) questionnaires
- update the database

➤ Database (Information Resource)

- direct comparison
- find a benchmarking counterpart

Information Resource

**Tool for top management to
monitor and evaluate
international development and
trends**
