THE NATURAL CITY
“Man is not apart from nature, but a part of nature”
what does a human being need?

nature!
But where do we start?
Not predicting a probable future, but designing a desirable future!
The future brings us nothing, we bring the future!

Let’s imagine the alternatives
A utopia is an imagined community or society that possesses highly desirable or nearly perfect qualities. (Wikipedia)

- better
- more beautiful
- more poetic
- more natural
