

View on the future of EULIS

Magdalena Andersson, Business Developer

View on the future of EULIS

- EULIS
 - Support; organization, built-up experience
 - Portal
 - Co-ordination and communication

- E-Justice
 - Portal for legal framework and real property information
 - Future dissemination of real property information Sweden
 - On-going project
 - Simplified procedure for review as to use of information, Real Property Register Law
 - Looking into possibility of new e-application by using e-identification
 - Connection to portal,
 - A new e-application could be accessed via E-Justice
 - When to connect to portal?
 - Co-ordination and communication
