✓ Bulgaria (1 response)		

Q1: I prefer the main topic of a PCC conference to be announced:

Q2: I prefer the themes of the PCC conferences to be directed to:

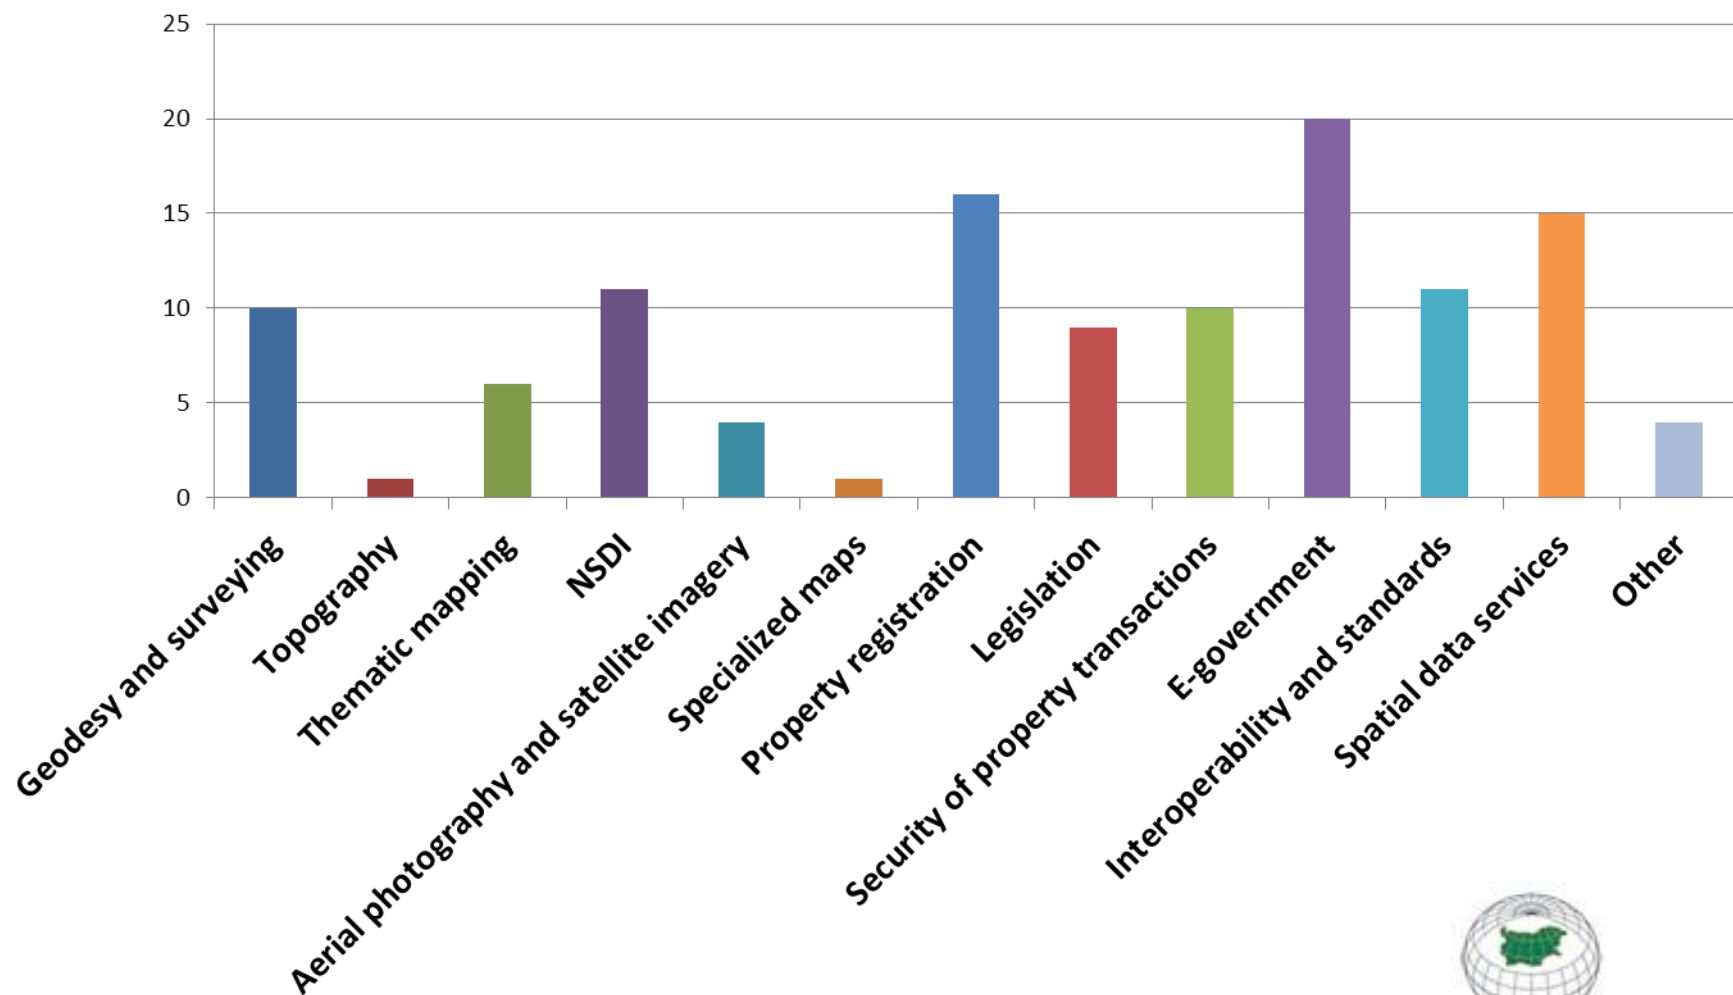

Others:

- ✓ The future of the cadastral organisations.
- ✓ Should be a good mixture, and picking up up-to-date topics.
- ✓ A combination of technical (spatial), legal and institutional aspects.

Q3: On the PCC conferences, I would like the following topics to be discussed:

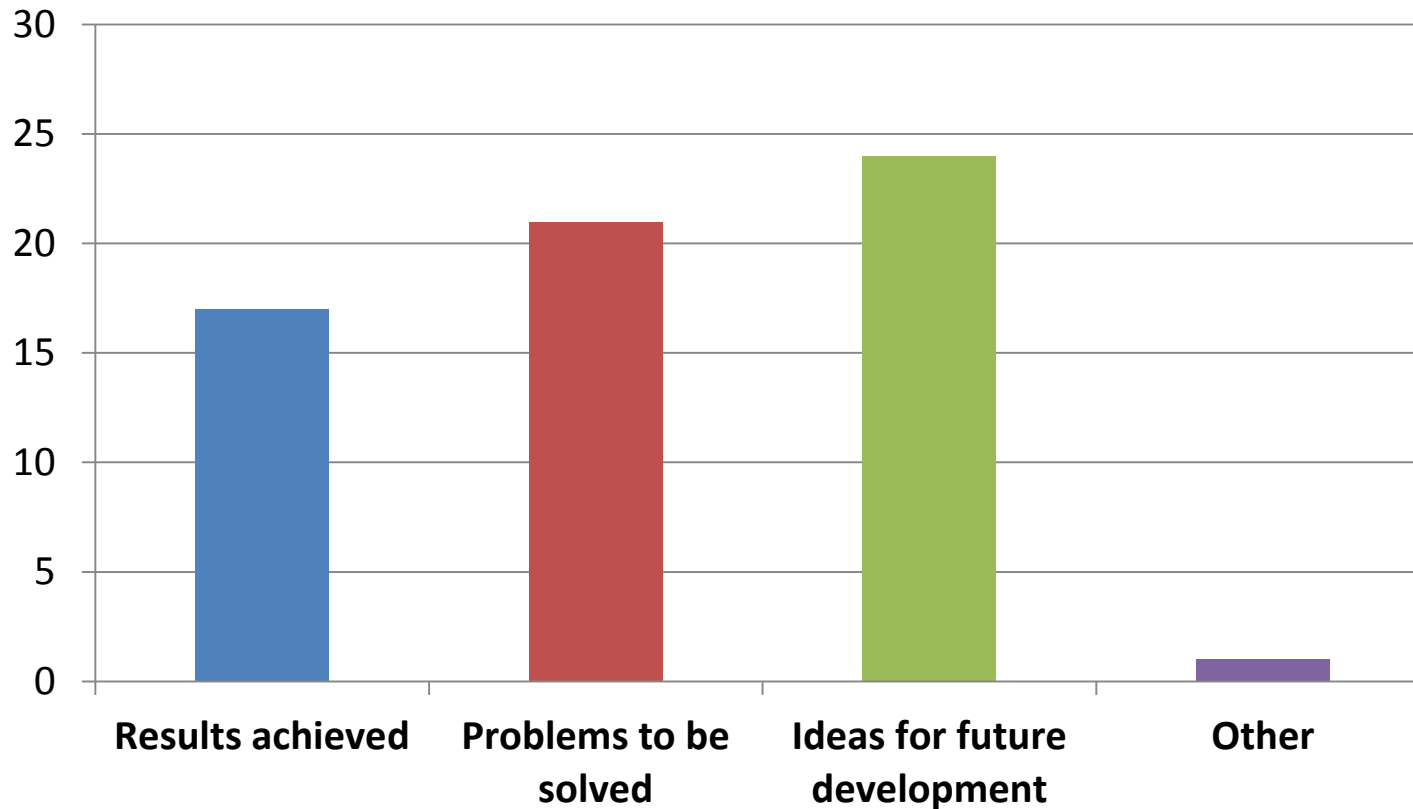

Q3: On the PCC conferences, I would like the following topics to be discussed: (cont.)

Responses "Others":

- ✓ Measures for improving the quality of cadastral data. E.g. how to remove discrepancies between records and reality in the field.
- ✓ Best practices in cadastre regarding quality issues.
- ✓ Focus on cadastre in its different aspects.
- ✓ Update of cadastral information from remote sensing data and owners declarations.

Q4: The focus of presentations to be mainly on:

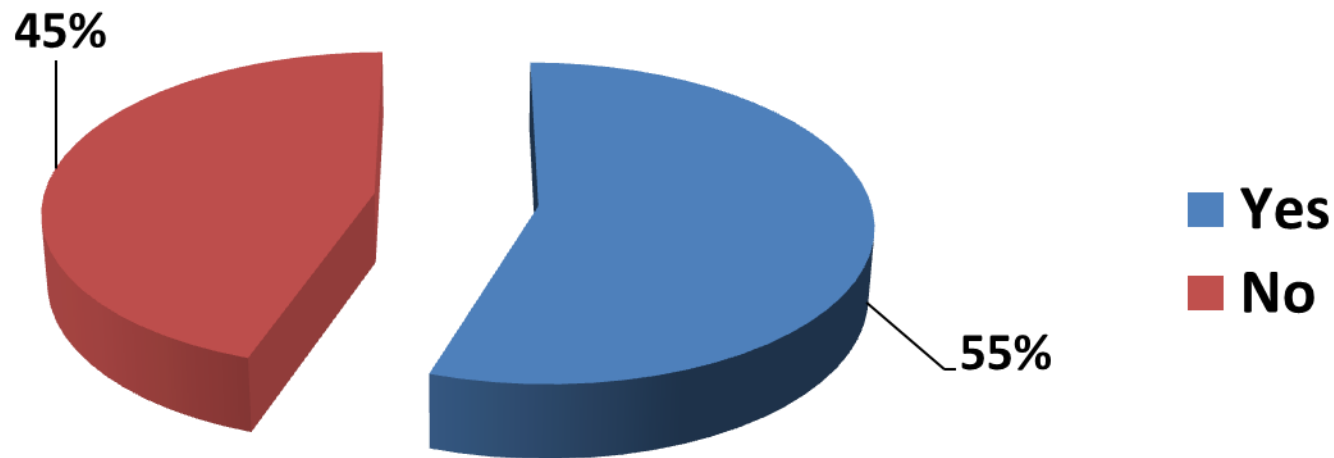

Other:

Not only success stories but also the failures to learn from.

Q5: Each PCC conference to start with a short summary of the topics, discussed on the previous one.

Summary:

- ✓ The main topic to be announced at least three months earlier.
- ✓ Strong interest to provision of data and services and multipurpose cadastre.
- ✓ More specifically: e-government, property registration, spatial data services.
- ✓ Focus on the future and resolution of problems.
- ✓ Summary from the previous conference – preferred.
