Role and structure of the PCC

- Talking about the PCC raises some questions?
 - Which role the PCC should play in an international context beside all other organisations?
 - Is the organisation of the PCC „fit fort the role“
 - Is it an satisfactory goal just to organise workshops twice a year?
 - What could be the role of the PCC?
 - Which strategic partnership would be desirable, is there any?
 - Is the organisational structure of the PCC prepared for playing an important role representing the Official cadastre Organisations of the member states ?

Procedure

- Starting with a (short) questionnaire about the role and structure of the PCC
 - based on the Estonian results
- Round table discussion
- Present and discuss results/proposals at the plenary meeting in Vienna
