

**Invitation to the Conference and Plenary Meeting of the  
Permanent Committee on Cadastre in the European Union**

**Zagreb, Croatia, 16 - 17 June 2020**

Dear colleagues,

In the first half of this year Croatia is honoured with the Presidency of the Council of the European Union. In this context, I am pleased to invite you to the Conference and Plenary Meeting of the Permanent Committee on Cadastre in the European Union that will take place in Zagreb on 16 - 17 June 2020. The topic of the conference is

**“The importance of land administration data in  
strengthening competitiveness and economic development”**

Our intention is to investigate the extent to which accurate and up-to-date land administration data help a country's development and the well-being of its citizens, to share experiences of best practices, and explore EU member states' development directions.

The agenda of the Conference will be announced soon on the PCC website.

The events will take place at Hotel Dubrovnik in Zagreb ([www.hotel-dubrovnik.hr](http://www.hotel-dubrovnik.hr)). The participants are responsible for paying for their own accommodation and transport. A sufficient number of rooms are available at Hotel Dubrovnik, where rooms have been provisionally booked at preferential rates. Additional information is provided in the hotel's Reservation form on the PCC website. Please note that the number of rooms is limited. You are also free to book any other hotel at your preference.

In order to have as much information available for discussion as possible, I would like to announce a short questionnaire that will be distributed to all PCC members in collaboration with the colleagues from the EuroGeographics CLRKEN.

For any further questions, please do not hesitate to contact us on the e-mail [pcc@dgu.hr](mailto:pcc@dgu.hr)

We are looking forward to meeting you in Zagreb.

Yours sincerely,

Damir Santek, PhD

Director-General
