

Dear Colleagues,

Regarding the Spanish Presidency of the Council of the European Union, I am pleased to invite you to the next Conference and Plenary Meeting of the Permanent Committee on Cadastre in the European Union, which will be held in Madrid, on the 25th – 27th of October. The meeting is arranged in co-operation with CLRKEN, EuroGeographics. It will take place in person.

The topic of the conference will be **“Contribution of the Cadastre to the Welfare State: Taxation and other services”**.

The registration is now open and can be accessed here (<https://eurogeographics.org/calendar-event/joint-pcc-eurogeographics-clrken-conference/>), on the website of EuroGeographics, where you will also find an outline of the agenda that we also attach to this e-mail. We ask you to register before September 4 because accommodation is difficult in Madrid on those dates, we have agreed a hotel to make it easier for you and that is the deadline they set for us.

We would also need to ask you to fill in the attached questionnaire regarding the conference topic. We kindly ask you to complete it by 20th September to enable us to produce the final summary report.

For further questions regarding PCC meeting, organization or stay in Madrid please do not hesitate to contact:

Amalia Velasco: amalia.velasco@catastro.hacienda.gob.es or

I am looking forward to welcoming you in Madrid

With my best regard

General Director of the Cadastre of Spain
