

**Dear Colleagues,  
Dear Friends,**

**The symposium and the General Assembly of the PCC 2010 are finished.  
We hope that these presentations proved the importance of the input of the  
commission in the 'cadastre' element within the framework of INSPIRE.  
But also the large future stakes of the European initiatives, notably GMES and  
PSI for the cadastral institutions.**

**We want to thank in particular the Spanish colleagues who maintain the PCC  
website.**

**We wish good luck to the Hungarian colleagues for the future Presidency.  
We want to wish all of you a Merry Christmas and a happy 2011.**
