

# Work Plan for the Swedish Presidency

Autumn 2009

se2009.eu

LANTMÄTERIET

# PCC/EG-conference in Tällberg 10-11 December 2009

The effects of the financial crises on  
Cadastre and Land Registry organisations

What happens with the real estate  
market during and after a financial crises

# Work plan (1)

- Continue the cooperation with other member countries
- Continue the cooperation with EuroGeographics – under MoU
- Arrange a meeting with Steering committee (Czech Republic, Spain and EuroGeographics) to prepare next presidency

## Work plan (2)

- Organize workshops joined to the Plenary meeting in December
- Prepare the third edition of the official PCC publication on cadastre
  - Invite all remaining countries to write
- Update the website of PCC with help of Spanish colleagues to be in accordance with the Status

# Topics for the workshops

1. Formal property rights as a tool for fighting poverty
2. The development of real estate market during the coming years
3. The need for a more efficient use of resources in European cadastre and land registration organisations

# Basis for discussion – WS 3

- Description of different European and International institutions/entities that are active in the business
- Inventory of the duplication of work done by these entities and suggestions for possible coordination and cooperation
