Future PCC and EG cooperation

Present situation

- Unclarity of the proposed road ahead
- Unclarity of the destination

Some of the bumps to clear out

- Economy
- Membership
- Independence
- Influence
- Focus
- Etc...

» Let's draw a good map of the road ahead, and let's narrow down the unclarities of the destination «

Proposed table of content for background document

- Objective
 - Goal: to increase influence in the EU and nationally
 - Means: further cooperation between PCC and EG
- Background
- Scenarios
 - Scenario 1 – Joint forces of the PCC and EuroGeographics
 - Proposal, areas to clear out, strengths and weaknesses, procedures and time table
 - Scenario 2 – Extended collaboration between PCC and EuroGeographics
 - Focus areas (vision work??), committed cooperation on certain areas, strengths and weaknesses
 - Scenario 3 – Status quo
 - strengths and weaknesses
